Buy Martha Stewart Crafts DIY Weaver Extender Kit from the Knitting 50 standard pegs, two joiners and instructions. Ideal for weaving larger projects. Perfect.

Instructions:

PREP FOR BAKING: When you're ready to bake, preheat the oven to 450. I use a preheated 2.5 liter/quart Corning French White Casserole with glass lid and no parchment.

Decorative mold of your choice – I used the Martha Stewart Frosty Elegance.

Instructions for DIY Cheese Markers: Bake on oven-proof glass or metal surface at 275°F (130 °C) for 30 minutes per ¼" (6 mm) thickness.

Brush paint over the entire piece. Grab your canvases and paint them equally with your desired colors and give several coats. Using the Martha Stewart's Silver Metallic tint, paint the letters evenly.

Instructions:

1. Place the pan in the oven until let the beads melt.
3. Make sure that you're wearing gloves and safety glasses before doing so. I got a set of Martha Stewart multi-surface craft paints. They work very similarly in that you paint them on the glass, let them dry fully, and cure them in the oven.

Rust-Oleum Specialty Chalkboard Flat Clear Spray Paint creates a chalkboard. Apply to wood, plastic, hardboard, glass or paperboard and let dry for 24 hours for best results.
